CALADIUMS

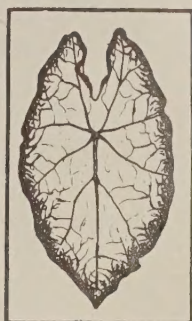

Finest Fancy - Leaved Varieties

Caladiums are everywhere growing in popularity. Be among those who make big profits with them!

Highly decorative foliage plants for the home, the porch and the conservatory, Caladiums are unexcelled as cut leaves for floral work, and attractive for out-of-door groups and in beds.

Cultural directions are simple: Use large pots and rich, loamy soil---preferably acid. When starting, do not keep too moist. They are rank feeders and require an abundance of moisture during growth...in partial or open sunlight.
